

ST. ANDREWS COMMON, HPR

Pool Building Usage Guidelines

The St. Andrews Common Pool Building is available for use by owners for functions provided they register with **Doug McCray**, of IMC Resort Services, Inc. at 843-785-4775 ext. 204 or Doug@IMCHHI.com. The following common sense, safety, and courtesies are required:

- 1) The event is limited to the use of the pool building and may not prevent others from access. Use of the building will not restrict or change current use or access to the restrooms by owners or renters or children.
- 2) The event is not to include the pool or pool deck areas nor may you prevent others from its use.
- 3) Music levels are not to be excessive.
- 4) No glass containers are permitted on the pool deck area.
- 5) Users are to familiarize themselves with the emergency pool phone, fire extinguishers located in the fenced shop area and behind the pool bar area and first aid kit located in the pool deck area.
- 6) Charcoal and gas grills must be a minimum of 8 feet from combustible materials which means grills are not to be placed on the pool building floor.
- 7) Charcoal and gas grills are to be placed on the sidewalk area next to the paving area outside the shop storage. A water hose should be located adjacently.
- 8) Electrical boxes, light fixtures and padlocks are not to be tampered with.
- 9) Garbage and refuse is to be bagged, secured at the top, and placed in containers in service yards with lids secured. Bags are not to be left unsecured at the pool building or inside the fenced shop area.
- 10) Above all, please leave the facility in the condition that you entered it with no lasting impressions or results from your event.
